

Monday, October 15, 2018

5:00 PM | **Welcome Reception**

Tuesday, October 16, 2018

8:00 AM | **Breakfast, Arrive, And Network**

9:00–10:00 AM | **Keynote Speaker**
Patrick Galvin, The Galvanizing Group

10:00–10:30 AM | **Ron's Update**
Ron Baldus, Capstone Technology

10:30–10:45 AM | **Morning Break**

10:45–11:15 AM | **Leveraging Alarm Events for Optimizing Mill Performance**
Hannah Morgan, Capstone Technology

11:15 AM–12:00 PM | **Practical Application Breakout Sessions**

Grand Ballroom

Renaissance Room

Examples And Best Practices For High Performance Process Graphics

Ways dataPARC Can Be Deployed (Citrix, MS RDP, Application Virtualization, Etc.)

12:00–12:45 PM | **Digital Transformation In Manufacturing**
Bill Medcalf, GPA

12:45–1:45 PM | **Lunch**

1:45–2:30 PM | **Customer Support Improvements**
Kevin Clark, Capstone Technology

2:30–3:00 PM | **Introduction To Asset Management**
Rich Kane, Capstone Technology

3:00–3:30 PM | **Monitoring And Prognosis (M&P) Centre Using dataPARC**
Jaihong Joo and John Huh, WA Technology

3:30–4:00 PM | **Advanced Real-Time Applications At A Large Oil Refinery Plant**
BoYoung Kim and Jaehoon Kim, S-Oil

4:00 PM | **Break, Networking**

6:00 PM | **Dinner - Punchbowl Social**

Wednesday, October 17, 2018

8:00 AM | **Breakfast, Arrive, And Network**

9:00–9:30 AM | **Ron's Keynote Speech**
Ron Baldus, Capstone Technology

9:30–10:15 AM | **Practical Application Breakout Sessions**

Grand Ballroom

Renaissance Room

5Whys – A Practical Methodology For Root Cause Analysis

Finding "What's Changed" – Anomaly Detection For The Process

10:15–10:45 AM | **Designing Industrial Interfaces For Maximum Efficiency**
Amos Purdy, GPA

10:45–11:00 AM | **Morning Break**

11:00–11:30 AM | **Adopting AI For Preventive Maintenance On Rotating Equipment**
Kobo Chen, HOH

Wednesday, October 17, 2018 (Cont'd)

11:30 AM–12:15 PM	7.0 - What You Should Know <i>Steve Lake and Alex Tate, Capstone Technology</i>				
12:15–1:15 PM	Lunch				
1:15–2:00 PM	PARCsecurity <i>Adam Cooper and Paul Hickey, Capstone Technology</i>				
2:00–2:45 PM	Practical Application Breakout Sessions				
	<table> <thead> <tr> <th><i>Grand Ballroom</i></th> <th><i>Renaissance Room</i></th> </tr> </thead> <tbody> <tr> <td><i>Asset Management – Leveraging Control Loops</i></td> <td><i>How To Use Alarm Server - A Practical How-To For Leveraging The Latest Functionality For Notifications And Incident Tracking</i></td> </tr> </tbody> </table>	<i>Grand Ballroom</i>	<i>Renaissance Room</i>	<i>Asset Management – Leveraging Control Loops</i>	<i>How To Use Alarm Server - A Practical How-To For Leveraging The Latest Functionality For Notifications And Incident Tracking</i>
<i>Grand Ballroom</i>	<i>Renaissance Room</i>				
<i>Asset Management – Leveraging Control Loops</i>	<i>How To Use Alarm Server - A Practical How-To For Leveraging The Latest Functionality For Notifications And Incident Tracking</i>				
2:45–3:00 PM	Break, Networking				
3:00–3:30 PM	LIMS <i>Ryan Fitzek, Graphic Packaging</i>				
3:30–4:00 PM	Quality Driven Alarms And Engineering Process Management <i>Ryan Sullivan, W. R. Grace</i>				
6:00 PM	Dinner On Your Own				

Thursday, October 18, 2018 — Training Day

8:00 AM	Breakfast, Arrive, And Network
9:00–9:30 AM	Training - Embedding Displays In Graphics <i>Katie Hickman, Capstone Technology</i>
9:30–10:15 AM	Training - Limit Usage And Management <i>Wayne McAdams, Capstone Technology</i>
10:15–10:30 AM	Morning Break
10:30–11:15 AM	Asset Management - Building Asset Models <i>Katie Hickman and Aaron Mosher, Capstone Technology</i>
11:15 AM–12:00 PM	Training - Run Browser And Golden Runs <i>Michael Halme and Nick Ivarson, Capstone Technology</i>
12:00–1:00 PM	Lunch
1:00–1:45 PM	Training - Using Asset Management Within PARCview (For Displaying Data And Troubleshooting) <i>Rich Kane, Capstone Technology</i>
1:45–2:30 PM	Training – Advanced Formulas: How And When To Use Them <i>Nick Eimers, Capstone Technology</i>
2:30–3:00 PM	Round Table
3:00–3:45 PM	Training – Onboarding With dataPARC 7.0: Introduce New Hires To Your System With dataPARC's Asset Manager <i>Aaron Mosher, Capstone Technology</i>
3:45 PM	Conference Ends
